## TO WHOM IT MAY CONCERN

We hereby confirm that the "Get One" range of office and visitor's chairs by ERGOTHERAPY SOLUTIONS are endorsed by the Chiropractic Association of South Africa.

The contribution of these chairs to general spinal health and good posture is highly commended.

The Chiropractic Association conducted an in-depth evaluation of office chairs and we are proud to announce our on-going satisfaction with the "Get One" range by Ergotherapy.

This chair has provided patient and office worker satisfaction beyond our initial expectations and we can proudly confirm our continued endorsement of this fine product.
